The Senior Finance Manager (Client) presented a report which set out the financial position of the Trust as at 31^{st} March 2019 and also provided an update on the performance of the investments.

The Committee noted that:-

- The Trust's overall assets were £22,874
- The value of the Trust's investment was £22,821
- The Service Level Agreement would not now be drawn up in view of the Committee's decision to dissolve the collection

In response to questions from Members, the Senior Finance Manager advised that the difference between the income from voluntary sources during the last 2 years had been due to a significant one-off donation received last year.

The Committee gave a vote of thanks to the Senior Finance Manager and his officers for all their hard work over the years managing the accounts of the Trust.

RESOLVED: That

- 1) The accounts for the year ending 31st March 2019 be approved.
- 2) The annual update on investment performance be noted.

Voting: For: unanimous

17. <u>FUTURE GOVERNANCE OF THE QUEENS OWN ROYAL WEST KENT REGIMENT TRUST</u>

The Museum Director presented a report on the future governance arrangements of the Queen's Own Royal West Kent Regiment Trust.

The Committee were reminded that at its meeting on 6th March 2019 a decision had been made in principle to dissolve the collection and donate it to the Maidstone Museum and had asked that officers drew up a clear set of reasons for the dissolution of the charity that could be submitted to the Charity Commission.

The Committee was advised that one of the conditions of dissolution was that the Charity's endowment should be spent on furthering the objectives of the Trust and the Museum's Director suggested that the following projects were pursued:-

- Conservation of 3 Sikh Colours at a cost of between £5,600-£6,300 plus VAT.
- Conservation of French Tricolour at a cost of between £7,500-£8,420 plus VAT.
- Digital presentation of Kohima and Malaya Oral Histories on website and/or digital kiosks already in the gallery at a cost of approximately £6,000.
- Any left-over funds would be used to purchase conservation and storage materials for the on-going care of and access to the collection.

In response to questions from the Committee, the Officers advised that:-

- Officers had been unable to identify a representative from the Regiment
- In 2009 a project was undertaken to provide oral history cases from the last surviving members of the Regiment and it was hoped that this would come to fruition as part of the Museum's transformation plans
- The estimates for the colours were for conservation purposes, not display purposes. If the artefacts were to be displayed then there would be an additional cost.
- That the Council was already planning to put in a display of Maidstone as part of its transformation plan

RESOLVED:

- 1) That the collections of the QOWKR Museum Trust be transferred in their entirety into the ownership of Maidstone Museum.
- 2) That it approves the reasons for dissolution which are:
 - a) that the regiment no longer exists
 - b) that the collection is managed and maintained by the Maidstone Museum staff
 - c) that the original purpose of the trust to preserve and publicly exhibit the collection – is redundant, as the work is now carried out by the Maidstone
 - d) that the Council has committed to maintain, make publically accessible and exhibit items of the collection

- 3) That, prior to the dissolution of the trust, officers request permission of the Charity Commission to spend the permanent endowment of the trust.
- 4) That the Chairman of the Committee signs the memorandum of amendment required by the Scheme to spend the endowment, as set out in Appendix A to the report.
- 5) That, subject to permission being granted and following the expenditure of the endowment, the trust is dissolved.
- 6) That delegated authority be given to the Museum's Director to take all necessary steps to spend the endowment and dissolve the trust in accordance with the Trust Scheme dated 12 March 2007 and the Charity Commission's requirements.
- 7) That a further report be brought to the next meeting of the Committee detailing the action taken to spend the permanent endowment and dissolve the trust.

Voting: For: unanimous

2. ACCOUNTS 2019/20 & 2020/21

- 2.1 The accounts for both years are shown at Appendix 1. The Committee has not met since July 2019, so this is the first opportunity to approve the 2019/20 accounts. The accounts were filed with the Charity Commission by the statutory deadline of 31st January 2021.
- 2.2 Whilst the Trust continues to have a healthy level of assets overall the funds available for day to day operations continue to be at a low level, which reflects the reduction in donations received and the use of existing funds to pay the service charge due to the Council. The main source of income for the Trust is now the return it receives from its investment.
- 2.3 The Committee previously expressed a wish to meet its ongoing financial obligations to the Council, so £1,560 of the balance of £1,609 held in the bank account at 31^{st} March 2020 was used as a contribution towards service charges due. This settled the sum due for 2019/20 but contributions to the value of £3,580 are still outstanding. With the bank account balance at 31^{st} March 2021 only being £703 a further payment will not be possible until further investment income is received during 2021/22.
- 2.4 This leaves the Trust with overall assets of £21,399 as at 31^{st} March 2021, a reduction of £238 on the figure from the previous year.

3. INVESTMENT PERFORMANCE

3.1 Members have requested an annual update on the performance of the Trust's investment, which is managed by Northern Trust and is invested in the CGWM (Canaccord Genuity Wealth Management) Select Bond Fund. As outlined in a previous report to the Committee whilst this is not a specific

charitable investment fund it does seek to cap the volatility of the value of the investment at 6% annually. In that respect it is considered to be a suitable investment as maintaining the value and security of the investment is the main aim of the fund.

- 3.2 The value of the investment at 31st March 2021 was £22,256, which was an increase on the value of £21,588 at 31st March 2020.It should be noted that despite the adverse impact on the economy and the financial markets caused by the ongoing Covid-19 situation the value of the investment has remained stable.
- 3.3 Annual investment income for 2020/21 was £654, which was a decrease on the 2019/20 figure of £753.

4. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS

4.1 It is recommended that the Committee approves the Accounts.

5. NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION

5.1 The Accounts will be formally submitted to the Charity Commission.

6. REPORT APPENDICES
