Background and Chronology

1. The current premises licence holder, Mr Bulent Turgut, has operated the premises since 2015. Prior to his operation, the premises traded as 'Stepping Stones'. This was a live music student bar, with alcohol sold in cans. Mr Turgut invested immediately in the premises, putting a 16cc TV system inside and out. In addition there was investment in the fabric of the building and creating a significantly better set of premises than had traded previously as Stepping Stones.
2. His family background is that they have traded licensed premises in and around Kent since the 1950s.
3. Amongst other premises, between 2012 - 2016, the family traded Café Sizzle and Grill. This was a licensed bar in Maidstone. Between the 1990s and up to 2008, they also traded premises in Lewisham called Mixers, which was a family run licensed restaurant and bar.
4. Between 1992 - 2008, they traded the Bromley Grill near Bromley South Station.
5. In all of these premises, and up to recently, there have never been any regulatory concerns or issues with the licensed premises traded by Mr Turgut and his family. They have always enjoyed strong relationships with the statutory authorities, both prior to and after the introduction
6. Mr Turgut worked at Café Sizzle and Grill. When The Social Chill Bar came up for let, it was the same landlord and because they had such a good reputation, they were offered these premises first.
7. They took the lease in 2015. Since the premises reopened and the initial £70,000 investment, there has also been a further investment of £100,000 in the premises during

and after lockdown. There has been continued investment in the business and the premises. The rateable value of the premises is £15,000. Mr Turgut's brothers are also involved in the operation of the premises. 8 staff are employed, and a door team of 3 on weekends and 2 during the week.

8. Between 2015 and 2021, there was nothing more than the odd small fight at the premises, which happens in all late night premises. There was very little interaction with the Police. They had never been threatened with a review during this period. A very strong relationship was held with the previous Licensing Officer, Neil Barns. Mr Turgut feels that there has been a very different relationship with the current Police Licensing Officer.
9. The current customer base is virtually all repeat/known customers, and it is generally a very nice crowd on the whole, they are easy to manage and respect the environment that they are socialising in.
10. As a result of an incident of 11<sup>th</sup> June 2021, Mr Turgut accepted a 2am last entry time on the premises licence to avoid a review of the licence. Mr Turgut was told by the Police Licensing Officer to put in a minor variation, and there would not be a review. He was also told that other premises would be going down the same route. To his knowledge, no other premises has had a 2am last entry time added onto their licence.
11. As a result of the incident in June, the door company was removed and changed. This has been again changed in 2021. It is GAT Security Services Limited. They have consistency of door supervisors at the premises, and feel that this works well. Either Mr Turgut or his brothers are always on duty at all of the trading sessions of the premises. They are busiest at the weekends, and some weekday nights. The premises are very popular with hospitality/shift workers coming into the premises once they have finished their hospitality shift.
12. The customer base has an age range between 20-50 years old. Mr Turgut feels that the operation of the premises is as such that they are not an underage venue.

## Section 182 Guidance

### Reviews

13. The licensing authority may decide that the review does not require it to take any further steps appropriate to promoting the licensing objectives. In addition, there is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular period of time. It is expected that licensing authorities will regard such informal warnings as an important mechanism for ensuring that the licensing objectives are effectively promoted and that warnings should be issued in writing to the licence holder. (11.17)
14. Where the licensing authority considers that action under its statutory powers is appropriate, it may take any of the following steps:

- modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition), for example, by reducing the hours of opening or by requiring door supervisors at particular times;
- exclude a licensable activity from the scope of the licence, for example, to exclude the performance of live music or playing of recorded music (where it is not within the incidental live and recorded music exemption);
- remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
- suspend the licence for a period not exceeding three months;
- revoke the licence. (11.19)

15. In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. **The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.** (11.20)

### Conditions

16. Conditions on a premises licence or club premises certificate are important in setting the parameters within which premises can lawfully operate. The use of wording such as “must”, “shall” and “will” is encouraged. Licence conditions:

- **must be appropriate for the promotion of the licensing objectives;**
- **must be precise and enforceable;**
- must be unambiguous and clear in what they intend to achieve;
- should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation;
- **must be tailored to the individual type, location and characteristics of the premises and events concerned;**
- should not be standardised and may be unlawful when it cannot be demonstrated that they are appropriate for the promotion of the licensing objectives in an individual case;
- should not replicate offences set out in the 2003 Act or other legislation;
- **should be proportionate, justifiable and be capable of being met;**
- **cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave; and**
- should be written in a prescriptive format. (1.16)

17. The 2003 Act requires that licensing conditions should be tailored to the size, type, location and characteristics and activities taking place at the premises concerned. (10.10)

### Conclusion

18. On behalf of the premises licence holder, the issues raised at the premises are not sufficient to support the Police request to reduce the hours of operation and/or suspend the premises licence. The request made in the application for review would be disproportionate and not appropriate to promote the licensing objectives, and therefore would be wrong in law.
