# **Reasons for Recommendation**

At its meeting on 23rd November 2022, Executive considered an updated Medium Term Financial Strategy (MTFS) for the next five years. The MTFS sets out in financial terms how the Strategic Plan will be delivered, given the resources available, and reflects priority initiatives including the Town Centre Strategy, commitment to invest in 1,000 new affordable homes and increases in the cost of services to allow for inflation. Various potential scenarios were considered in the MTFS. Projections were prepared for each of the scenarios and budget proposals sought to address the requirements of the MTFS. Scenario 4 was considered the most appropriate for planning assumptions for setting the 2023/24 Budget.

Detailed budget proposals were considered by Policy Advisory Committees for their respective areas. These were then reported to the Executive along with the capital programme at its meeting on 25th January 2023. The Executive considered the Budget as a whole, assuming scenario 4 and including an additional £400,000 increase for the pay envelope, at its meeting on  $8^{th}$  February 2023 and recommended it to Council for adoption.

The recommendations contained in this report allow the Council to set the budget, including the Council Tax rate, for 2023/24 according to the specific provisions contained within the Local Government Finance Act 1992.

### **Alternatives Considered and Why Not Recommended**

The Council could choose not to pass a budget. However, this would be contrary to the Local Government Act 2003.

The Council could choose to amend the budget. Any amendments would be additional to the recommendations made by the Executive. It is important that the Council has a balanced budget after taking account of any amendments. The Director of Finance, Resources and Business Improvement (section 151 Officer) must provide confirmation to Council that "the budget calculations are based upon robust estimates and that the level of reserves is sufficient for the purposes of the budget exercise". Care must be taken in amending the budget so that the Director of Finance, Resources and Business Improvement is able to make the necessary confirmation.
