UKSPF 2022/23 Quarter 4 Update:

On 5th December 2022 the Department for Levelling up, Housing & Communities (DLUHC) approved the Investment Plan submitted in August 2022. Since then the authority has returned the Memorandum of Understanding and received year 1 grant at the end of January 2023. Due to the delay in approving year 1 grants the government agreed that authorities can carry over any underspend from year 1 into year 2. There was £7,397 underspend across year 1 as shown in the table below. It was agreed by the Leader that this underspend would be used on equipment and added to the Creative Communities Fund that was extremely oversubscribed in year 2.

Preparatory and delivery work for year 2 projects has continued with project leads, the year 2 projects include:

- Creative Communities Fund
- Continued Events expertise and Advertisements for events
- Literature Festival
- Iggy Sculpture Trail
- Arts Carnival
- Feasibility Study for a Community Arts Hub
- Borough Insight
- Green volunteering project to improve Town Centre Green Spaces

In April 2023 the authority received confirmation that the Rural England Prosperity Fund (REPF) investment plan had been approved by Government. The first year of spending of this is 2023/24. The first round of applications was opened in mid-April and closes in June 2023.
